Art. 6

Selection Committees

The committees, in charge of the selection procedures, are made up of three permanent members, Professors, belonging to the competition sector and not working for the University of Palermo.

The Department, asking for the publication of this call for selection, will appoint four Professors not belonging to the University of Palermo, by an absolute majority of its Board. Among those four professors, Officers, appointed by the Rector, will draw two members of the Commission.

The Department, asking for the publication of this call for selection, will appoint the third member, belonging to the University as well. In this circumstance, this third member can be selected within the macro sector.

The proposed members must have an international high scientific profile. They are selected among the tenured professors, belonging to the list of commissioners in charge for the national scientific qualification in the relevant Assessment Sector.

The Director of the Department, who requested the procedure, will validate the possess of requirements and qualifications for the professors not belonging to the Ministerial lists of the Commissioners for the national scientific qualification. Those requirements and qualifications are equivalent to ones required for being included in the above mentioned lists and to those detailed in the resolution n. 132 dated 13.09.2016 issued by the ANVUR Board of Directors.

As member of the selection committee, a scholar, engaged permanently abroad in Universities research and teaching activities for at least three years, covering an academic position equivalent to that of full professor in foreign universities or research institutions, with high scientific qualification recognized internationally, can be proposed.

The Commission is appointed with a Decree issued by the Rector who may verify the requirements mentioned in section 1, preliminarily, supported by external experts.

When a member turns down the appointment or in the event of unexpected unavailability before the appointment of the commission, the procedure by drawing lots is repeated for the commissioner who renounced, as soon as the concerned department has communicated another member.

The designation decree is published on the Official University Register.

UNIVERSITÀ DEGLI STUDI DI PALERMO

AREA RISORSE UMANE SETTORE RECLUTAMENTO E SELEZIONI

The Commission appoints a President and a Secretary among its members and makes its decisions by an absolute majority.

Within thirty days from the publication of the decree appointing the commission in the University Official Register, the candidates may submit to the Rector of the University petitions/complaints against the member of the selection committees, when there are the circumstances foreseen by the art. 51 and 52 of the Italian Civil Code of Civil Procedure. If the cause for the objection has arisen, as long as it is prior to the date on which the commission is established, the term starts from its onset. The petitioner's procedure is not allowed anymore, when the mentioned deadline has passed and, in any case, after the setting-up of the selection commission.

According to this notice, the first meeting of the appointed Commission can be held online.

In the event that the candidates are not Second Level Professors, the internal member, if local, will be present with the candidates and with an officer belonging to the Recruitment and Selection Sector during their identification, the extraction of the topic relating to the teaching test as well as during the course of the same, the discussion on the scientific publications presented and the assessment of language skills.

Art. 7

Assessment general criteria

The Commission, jointly, proceeds with the comparative evaluation of the applicants on the basis of the didactic activity, of the scientific publications, of the curriculum and of the institutional and organizational activities, where required, of the welfare activity attested by the documents attached to the application for participation in the selection procedures.

For evaluating the teaching activities, the extent and continuity of the activities are considered with particular reference to the teachings and modules for which responsibility has been assumed. For evaluating the supplementary teaching activities and services to the students, the activities for the preparation of the thesis, the master's degree and the doctoral theses, the seminars, the exercises and the tutoring of the students can be considered.

The selection committees carry out the publications comparative evaluation as referred to in paragraph 1, on the basis of the following further criteria:

- a. originality, innovation, methodological rigor and relevance of each scientific publication;
- b. congruence of each publication to the competition sector where the procedure is announced and with the possible profile, defined exclusively by indicating one or more scientific-disciplinary sectors, or with related interdisciplinary topics;
- c. scientific relevance of the editorial location of each publication and its dissemination within the scientific community;
- d. analytical determination, also on the basis of recognized criteria in the international scientific community of reference, of the individual contribution of the candidate in the event of his / her participation in collaborative works.

With regard to the competition's sectors, as internationally recognized, the commissions, in evaluating the publications, also apply the following parameters/indicators, within the application deadline terms:

- a) total number of academic scientific citations;
- b) average number of academic scientific citations per publication;
- c) "impact factor" total weight;
- d) average "impact factor" per publication;
- e) combinations of the previous parameters to enhance the impact of the candidate's scientific production (Hirsch index or similar).

To cover the positions of *First Level Professor*, in the event that the candidate has not the role of Second level professor, at the end of the scientific publications and qualifications assessment, the procedures foresee to carry out a didactic test, a debate on the attached publications and a possible test on the language skills.

If the applicant is a scholar permanently engaged abroad, in a position equal to that of this competition, the above-mentioned examination won't be held.

UNIVERSITÀ DEGLI STUDI DI PALERMO

AREA RISORSE UMANE SETTORE RECLUTAMENTO E SELEZIONI

For evaluating the scientific, institutional and organizational activities, the following factors and criteria will be also considered:

- a. organization, management and coordination of national and international research centres or groups or participation in them and/or in other research activities such as the management or participation in editorial committees of journals;
- b. ownership of patents in the sectors where it is relevant;
- c. achievement of national and international awards and recognitions for research activities;
- d. Institutional assignments within Italian or foreign university institutions.

Participations as a speaker in international conferences and symposium can be also evaluated.

The comparative evaluation takes place, based on the criteria defined preliminary by the Commission.

At the end of the work, the Commission identifies the most qualified candidate to cover the vacancy.

If the candidate does not accept and in the event that there are other suitable candidates, the Commission, , recognizes the most qualified candidate in a following meeting.

Art. 8

Conclusion of the procedures

The Commission must conclude all the selection phases **within four (4) months** from the date of the Rector's appointment decree.

The Rector may extend the terms for closing the selection phases, only at once and for **two (2) months**, for extraordinary and proven reasons, as communicated by the President of the selection committee.

In the event that the works are not completed within the aforesaid term, with a motivated decision, the Rector can launch the procedure to replace the whole Commission or the members of the committee, to which the causes of the delay are due, establishing at the same time a new deadline for the conclusion of the procedures.

After this deadline, the Rector will declare the Commission lapsed.

Art. 9

Documents conformity and regularity checks

Within 30 days from the delivery of the procedures documentation, the Rector, with his own decree verifies the formal regularity of the documents and declares the name of the most qualified candidate to cover the vacancy, subject of this call for recruitment.

The Decree will be sent to all applicants and to the Department in charge of that position. The Decree will be also published on the official University Registry and on the University website.

In the event that the Rector finds irregularities, he refers the case to the Commission with a reasoned decision so that it can proceed with the regularization by assigning it a term.

Art. 10

Rights and duties of Professors

The rights and duties are those foreseen by the current legal provisions concerning the legal status of the teaching staff.

Art. 11

Economic and social security conditions

The economic and social security treatment is that foreseen by the laws regulating this issue.

Art. 12

Data Protection

The personal data, communicated by the candidates throughout the application, will be collected and processed by the University of Palermo in compliance with Legislative Decree 196/2003 and with the aim to manage the selection procedure.
