

Dear students,

As the new academic year is about to begin, we write this e-mail to provide you with all the necessary information to access the online courses in your degree course.

The platform for online courses can be reached at this address: <https://e-learn.unipa.it>

To access the courses, you will be asked to log in with your university credentials. To do so, you can go directly to the login page at this address: <https://elearning.unipa.it/login>. Alternatively, the platform will redirect you to this page as soon as you try to access any of the online courses.

In the login page, you will need to click the “Unipa Login” button, to authenticate yourself through the institutional credentials on the University of Palermo’s portal.

- By clicking on the button "Interfederate Login", you will be redirected to a page that will allow you to choose the institution to authenticate yourself. Doing so, you will be able to access as student/teachers all the courses of University of Palermo's educational offer to which you have been authorised.
- This authentication method is reserved to those who are not entitled to the organization, and are not member of the University of Palermo. The identity is managed exclusively for specific request.

To fully access the courses and all their contents, it is also necessary to **log into the Microsoft Office online portal in the same browser from which you intend to use the e-learning platform**. To do so, you need to visit <https://office.com>, click on the “Sign in” button, and type your institutional e-mail address in the format **name.surname@you.unipa.it**.

Once logged in, you must answer “Yes” to the request to maintain access.
