We established the following award for young surgeons.

Award name: Best Paper in Surgical Techniques Development

Prize: 300 CHF (Swiss Francs) and a certificate

These are the pre-requisites to be eligible for this award?

Submit an updated scientific review on the long-term results of breast augmentation and prostheses, of which the first author is a young surgeon aged less than or equal to 35, also a specialist and who has enrolled in the course. Publication fee will be fully waived if your submission is officially accepted after peer-review in the journal Surgical Techniques Development (waived values 1400 CHF).

Submission date should be before 15 October 2023.
