

Letter of Collaboration

between

**Faculty of Health Sciences, Pomeranian Medical University in Szczecin, Poland
Health Science Center, University of Palermo, Italy**

This Letter of Collaboration is designed to foster a friendly relationship through mutual cooperation in teaching and research between Faculty of Health Sciences Pomeranian Medical University in Szczecin and Promotion of Health, Maternal-Child, Internal and Specialist Medicine of Excellence "G. D'Alessandro", University of Palermo. No financial obligations are assumed under this agreement.

Parties have reached agreement on the following areas of cooperation, subject to mutual consent and the availability of sufficient funding:

- exchange of faculty employees,
- joint research activities,
- participation in seminars and academic meetings,
- exchange of academic materials and other information.

The terms of such mutual assistance and funding for any specific program and activity shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of a particular program.

Each institution will designate an individual to coordinate this program and all endeavors that may derive from it. For this purpose, Faculty of Health Sciences PMU designates prof. Beata Karakiewicz, and Health Science Center, University of Palermo, Italy, designates Prof. Antonio Carroccio.

This Letter of Collaboration shall commence on the date of latest signature and be in effect for five years, at which time it shall be reviewed for possible extension. Either party may terminate this Letter by written notification signed by the appropriate official of the institution initiating the notice. However, such notification must be received by the other party at least one month prior to the effective date of termination.
