

Curriculum Vitae Europass

Personal Information

First name / Surname **Di Buono / Giuseppe**

Nationality Italian

Data of birth 22/10/1985

Gender M

Professional field General and Emergency Surgery

Work Experience

Date 2011 – 2017

Training in General Surgery

University Hospital Policlinico “P. Giaccone” – Department of General and Emergency Surgery (Chief: Prof. G. Gulotta)

Date 2017

Clinical Assistant

Nuova Casa di Cure Demma – Viale Regina Margherita, Palermo

Education and Training

Date 05/07/2017

University of Palermo – School of General Surgery - grade 50/50 cum Laude
Thesis title: “3D Laparoscopic Surgery: prospective clinical trial”

Date February 2017

Diploma Scuola Nazionale SIC di Chirurgia Laparoscopica Avanzata

Scuola di Riferimento Nazionale SIC di Chirurgia Laparoscopica Avanzata (Chief: Prof. F. Corcione)

Date 27/10/2010

University of Palermo – School of General Surgery - grade 110/110 cum Laude

Thesis title: “Approccio laparoscopico alle urgenze chirurgiche addominali: nostra esperienza” linked to publication: Agrusa A, Romano G, Di Buono G, Dafnomili A, Gulotta G: Laparoscopic approach in abdominal emergencies: a 5-year experience at a single center. G Chir. 2012 Nov-Dec;33(11-12):400-3.

Personal SkillsMother tongue **Italian**Other language **English**

Understanding		Speaking		Writing	
Listening	Reading	Spoken interaction	Spoken production		
Good	Good	Good	Good	Good	

Communication skills Ability to manage relations with colleagues in the workplace and in stressful situations thanks to the experience gained during the training period.

Managerial skills Active collaboration with the Scientific Secretariat for the realization of numerous regional and national scientific congress and events. He participated in organizing Live Surgery sessions.

Job related skills He performed as first and second operator over 1200 surgical operation of small, medium and high surgery in elective and emergency setting. He had special attention to the field of Mini-Invasive and Laparoscopic Surgery by participating in interventions for the treatment of esophagus-gastric joint diseases (esophageal achalasia and gastro-esophageal reflux disease), benign and malignant adrenal diseases, renal and splenic pathology; gallbladder, bile ducts, pancreas and colo-rectal diseases; hernia pathology.

Digital skills Ability to use the various applications of the Office package, in particular Word, Excel, Power Point and video editing systems such as Movie Maker with benefits in clinical work, for research and organizational purposes.

Scientific skills Author of numerous scientific publications with particular reference to laparoscopic surgery, emergency surgery, hernia and gynecological pathology

number of articles: 28

number of citations: 176

H-index: 9

Invited Reviewer for: International Journal Of Surgery; International Journal of Surgery Case Report; World Journal of Surgical Oncology; Surgical Oncology & Clinical Practice Journal; Clinical Medical Reviews and Case reports; International Journal of Transplantation Research and Medicine; Annals of Clinical Case Reports; Journal of Clinical Anesthesia and Management; JSM Thyroid Disorders and Management.

Awards Award best free paper "Perforazione esofagea in corso di miotomia extramucosa sec. Heller per achalasia" - 39° Congresso Nazionale della Società Italiana di Chirurgia d'Urgenza e del Trauma (SICUT). Roma, 01-03/12/2011.

Award best free paper VIDEOFORUM "Right laparoscopic nephrectomy for giant renal mass" - 25° Congresso Chirurgia dell'Apparato Digerente. Roma dal 22-23/05/2014.

Award best free paper VIDEOFORUM "3D laparoscopic multivisceral resection for splenic lymphoma" - 26° Congresso Chirurgia dell'Apparato Digerente. Roma dal 19-20/11/2015

Publications

Agrusa A, Romano G, Navarra G, Conzo G, Pantuso G, Di Buono G, Citarrella R, Galia M, Lo Monte AI, Cucinella G, Gulotta G: Innovation in endocrine surgery: robotic versus laparoscopic adrenalectomy. Meta-analysis and systematic literature review. *Accepted on ONCOTARGET*.
