Università degli Studi di Siena
- 2007-2010 Laurea Triennale in Economia e commercio,
Università degli Studi di Siena

INTERESSI DI RICERCA

I miei interessi di ricerca riguardano principalmente le seguenti aree: analisi dell'evoluzione delle disparità regionali e tra paesi in seguito a crisi economiche e finanziarie e/o interventi di policy; evoluzione della disuguaglianza personale e analisi delle sue determinanti con particolare riferimento ai processi di globalizzazione e al ruolo delle pandemie. Mi occupo anche di analizzare il ruolo dei flussi turistici sui processi di crescita e resilienza delle regioni.
